

UniFlood M

ZVP340 L45 glare shield (12 pcs)

UniFlood M - Dark Grey

UniFlood M is a modular, rectangular-shaped, cost-effective and exterior-rated architectural LED floodlight that is designed for façade, landscape and outdoor floodlighting applications. The robust mechanical design and highly efficient optical design make it ideal for illuminating multi-storey exterior facades, bridges landmarks and monuments. Available in white, monochromatic colours, RGB, RGBW and tunable white. Eight different spread lenses ranging from narrow spot, to wide flood and a DMX512/RDM control option available to give architects and designers the freedom to explore a wide range of concepts and design with no limitations.

Warnings and Safety

- For outdoor use only.
